**Director's Challenge:** Each month beginning with November, I will send out bible verses via the monthly newsletter and in an email. If your child is interested in memorizing them, have them come say them to me before school, after school or send me an email that they know one and I will go to them during the day to hear it. Please make sure they know the reference and the verse. If they learn them all for the month, they can pick something from my prize bin.

November verses:

Psalm 92:1 "It is good to give thanks to the Lord."

I Peter 5:7 "He cares for you."

**Christmas gifts for those in need:** please look for an upcoming email / sign up regarding our gift drive. In the past, we have tried to donate to local families in need and are in the process of confirming families. Once we have them, we will send out more information.

I hope you have a wonderful November and a special Thanksgiving day and weekend filled with family and friends. Reach out with any questions, -amy
