

February Newsletter

January was a great month of learning and fun. The white boards have been a huge success. The children LOVE using them, and they are starting to be able to write the letters from their minds without the help of dotted lines. For some, it was frustrating at first, but each is learning to accept that perfection doesn't happen on the first try and continued practice pays off.

We are looking forward to another fun class party for Valentine's Day. Prior to our celebration, the children will be making a bag to collect valentines. On February 14th, please send your child with 11 Valentines addressed to: Adamson, Aiden, Alexa, Bijoux, Brooke, Catherine, Dylan, Elodie, Jack, Lucas, Myles and Nikki. I request that the children use this as an opportunity to practice writing for a purpose. Please plan ahead and allow time for the children to address the valentines themselves. Most of the children are able to copy names; however, you could also dot the letters to trace. On Valentine's Day, the children will match the names they wrote to the names on the decorated bags.

Our whole school activity for this month is Pajama Day. On February 20, please send your child to school in pajamas and sneakers. They will be serving themselves cereal and eating breakfast while Mrs. Walker reads stories to them. It will be a comfy, fun way to spend time with other children at Step By Step. Our class does a great job of modeling appropriate behavior and independence for our younger community members.

Kindergarten registration has begun for Moorestown Public schools. Please call Cathy Kain at (856) 778-6600 then press 7 to schedule a registration appointment between February 13 and March 29. You can read more about this process on mtps.com. If you are not a Moorestown resident, please check your school district's website for registration information.
