It is hard to believe how quickly this year has passed and the year has come to an end. Our accomplishments are innumerable. We are visiting the three year old classroom in anticipation of moving on next year. I would like to thank you all for your help, support and interest this year. We have had a very busy and successful year in school, and you as partners in the religious education of your children deserve much of the credit for that.

We are very blessed to be a part of your child’s life. We wish you all an enjoyable and relaxing summer.
