## Church has left the building 2019 Ministry

### *“What is church has left the building?”*

Don't just go to church. Be the church. On October 27<sup>th</sup>, First Presbyterian Church of Moorestown is going to do just that. Instead of sitting in the pews and worshipping, we are going to be God's hands and feet in our community. Everyone in our church community is invited to participate in an activity where we are “being the church”. All ages of our church community can engage in Church has left the building activities which will bless others locally and globally.

Jesus told us to be the salt and light in the world not just in the church building. This is our opportunity to do just that. Opportunities have been designed for everyone regardless of age and ability. There is a place for you to fit in. You also can still come up with your own project or team.

The teams and their descriptions will help you choose. Read through and see if you can find a place that you will fit or come up with your own. If you can't find any that works for you, talk to our leadership and see if they can assist you in finding your place.

Also, note that leaders are needed for many of the teams. If you are a born leader or have never led before, this is your opportunity to do just that and the commitment is small compared to some of the other things we do regularly at church. The Leadership role only requires a few small tasks: limited emails to your team members, a form upon completion of your project, designate someone to take photos during your project and make sure everything is on track the day of the project and that everyone is having a great time.

If you have questions, Nancy Bender and Jennifer Allen are the chairs for Church has left the building. Jen Allen can be reach at [dholmes655@aol.com](mailto:dholmes655@aol.com) and Nancy Bender can be reached at [gabend6@aol.com](mailto:gabend6@aol.com). Linda Jagiela is the staff liaison and you can reach her at [missions@fpcmoorestown.org](mailto:missions@fpcmoorestown.org) or via cell phone: 267-275-7582.

At the end of the day, we will return to church and share a meal and talk about the day. We will worship over the meal and enjoy fellowship, testimonials and photos shows from the day.

# Teams

## **Photography team (Patrick McIlroy leader)**

Take photos of day's activities and send to team leader to put a slide show together for the evening event. A minimum of one photographer is needed per team. Photos should include the team, the team in action, individual and fun shots.
