

October Newsletter

Our Fall field trip to Indian Acres Farm is on Thursday, October 10th. We will meet at the farm at 9:45am. It will be an exciting, school-wide field trip to learn about the life stages of pumpkins, ride a wagon pulled by a tractor, and pick pumpkins. There are also fun playground areas and a haystack maze.

We will have a visit from the Moorestown Fire Department on Wednesday, October 16th. The children have done a wonderful job practicing the proper procedures in case of a fire, and now they will get to learn the job of firefighter and see the inside of a fire truck.

Dance Studio with Miss Carol begins in October. We have our first dance lessons on October 2nd. Our children will participate in this program on the first Wednesday and third Thursday of each month. They will learn the basic steps of different styles of dance.

Chapel with Miss Holly also starts during this busy month. Our first chapel is scheduled for Tuesday, October 15th. Miss Holly will be telling Bible stories, singing songs and saying prayers with the children. During weeks that we don't have chapel, Mrs. Illum will continue doing Bible Story time in our classroom.

On Thursday, October 24th, our class is scheduled for picture day. Send your child in whatever you would like him/her to wear. We will do our best to stay clean and comb hair before the pictures are taken.

Last but not least, we will have the Halloween parade on Tuesday, October 29th (rain date 10/30) and a Halloween party on Thursday, October 31st. For the parade, please bring your child dressed in costume ideally ovetop of his/her clothes. You will drop your child off at the classroom and then take your place along the parade route. After the parade, you will help your child remove the costume before you leave. In the near future, you will receive more information about the Halloween party. We have not received volunteers for room parent or photographer. If you would like to be either, it is not too late. If we do not have any volunteers, we will happily plan the parties and send out sign ups for contributions.

Important Dates:

- 10/2 → Field trip forms due
- 10/2 → First dance studio
- 10/10 → Field trip @ 12:30pm
