

October Newsletter

Our Fall field trip to Indian Acres Farm is on Thursday, October 10th. We will meet at the farm at 9:45am. It will be a super fun, school-wide field trip to learn about the life stages of pumpkins, ride a wagon pulled by a tractor, pick pumpkins, and much more.

We will have a visit from the Moorestown Fire Department on Wednesday, October 16th. The children have done a wonderful job practicing the proper procedures in case of a fire, and now they will get to learn the job of firefighter and see the inside of a fire truck.

Dance Studio with Miss Carol begins in October. We have our first dance lessons on October 2nd. Our children will participate in this program on the first Wednesday and third Thursday of each month. They will learn the basic steps of different styles of dance.

Chapel with Miss Holly also starts during this busy month. Our first chapel is scheduled for Friday, October 18th. Miss Holly will be telling Bible stories, singing songs and saying prayers with the children. During weeks that we don't have chapel, Mrs. Kenuk will continue doing Bible Story time in our classroom.

On pleasant Wednesdays, we will participate in the Pre-K Runners tradition, so please have your child wear sneakers. The children will learn about good sportsmanship while having fun!

On Friday, October 25th, our class is scheduled for picture day. Send your child in whatever you would like him/her to wear. We will do our best to stay clean and comb hair before the pictures are taken.

Last but not least, we will have the Halloween parade on Tuesday, October 29th (rain date 10/30) and a Halloween party on Thursday, October 31st. For the parade, please bring your child dressed in costume ideally otop of his/her clothes. You will drop your child off at the classroom and then take your place along the parade route. After the parade, you will help your child remove the costume before you leave. In the near future, you will receive more information about the Halloween party from our room parent, Lindsey Essock.

Important Dates:

- 10/2 → Field trip forms due
- 10/2 → First dance studio
- 10/10 → Field trip @ 9:45am
