

January Newsletter

Wow! What an incredible holiday season! We hope you all enjoyed quality time together over the break. It is 2020, and we are ready to hit the ground running. We will take it easy for the first two days back, but there will be plenty of learning and fun. I have been in contact with one of Moorestown Public School's finest kindergarten teachers. She has provided me with some valuable information on kindergarten readiness. Our 2020 goal is to continue to learn through exciting and fun experiences while preparing for kindergarten.

At the end of January, I will be holding conferences to discuss your child's progress so far and map out a plan going forward. The conference dates will be January 28th, 29th and 30th. In the New Year, I will send out a Sign-Up Genius, so you can select a time that will work best with your schedule. I look forward to meeting with you.

Registration for next year begins on January 6th for returning families. Step By Step will also be holding an Open House on January 21st from 6:30 - 8:00 pm. Please spread the word to your families, friends and neighbors.

Last but not least, when your child returns to school in January, please send in a dry erase marker and an old sock in a labeled Ziploc bag. During circle time, I will be incorporating writing on white boards. The children find this activity fun, and it is a great way to get some fine motor writing practice in, so it isn't as daunting when they are expected to print in kindergarten.

****As always, feel free to contact me any time. You don't have to wait for conferences.****
