❖ Prayer Points for the Not a Fan participants and further discipling; Praying that

- See this time of 'sheltering' as an opportunity to pursue God more intentionally,
- Remain faithful or drawn to use the devotional daily and pray, all the way to Day 75 and on,
- To continue to read/ponder/pray over/and commit to the promptings of the author and the Spirit throughout the completion of the book.
- Be open to any changes our Lord may be calling them to—see, repent, turn, act,
- 'Put down a stake' in their commitment to be a follower and to pursue the full meaning of discipleship
- Leaders/disciples may establish a daily growing time of prayer and Bible reading
- Leaders/disciples may establish family time for Bible reading, worship & prayer
- Leaders/disciples would establish that wherever/whenever going, hearts are always praying
- Be willing to see their call to pray for revival in others
- Spend time in praise of God and His Sovereignty and be thankful throughout our sequestering for the provision and joy of the Lord
- Establish us in a sense of humor, kindness, willingness to intercede + meet needs of others, with joy in our daily lives and interactions with others.
- Grow in love ...
