

Happy Thanksgiving

November Newsletter Two's

Welcome cool weather, harvest fun and feasting with friends. We are exploring the changing weather this month. Who lives in my house is featured this month. We will be counting how many windows, doors, rooms, people, and pets are in our home. Brown as an Acorn by Molly Dingle shows us many brown objects everywhere. Noah and his ark provide us with opportunities to share and learn together. What sound does the animal make? What colors is the animal? How does the animal move? We can move like that animal. The CATCH program has throwing and catching a brown ball. We will be looking for the shape of a rectangle. We begin learning about Prayer, God is always listening. The Zipper Club is joined when we learn to zipper by ourselves. The choo-choo goes in the tunnel and up the tracks!

Safety is reviewed. Being safe at the store, school, and home are all important to us. Buckle up, Get out stay out, 911, and My friend the Policeman are reviewed. What should I do if I get lost? Where do I live? We are sharing the story of Jesus at the Temple. Helping at snack time encourages us to serve others. I spy brown will be a fun game to play together. We continue using Scissors in the classroom. We practice holding our crayon and tracing lines down like raindrops falling on the ground. Our stories reflect our thoughts this month. Thanksgiving Is For Giving Thanks was written by Lamut and Sutherland.

We know all our friends names and we begin to get ready for our Feast with Friends. Jesus had many friends, this month we read about Jesus Picks Disciples. Our song "Friends, friends, 1 2 3 all my friends are here with me", encourages us to recognize and play together with our friends at school.

We will be joining our friends in giving thanks to God for his blessings. Parents will be invited to come at the closing of the feast to hear songs we have prepared. "Turkey in the Straw" is the perfect song for Harvest celebrations. Our celebration is cooperative and the Two's are taking dessert cookies to the feast. We will wear our Native American headdresses and sing our song together. Jesus tells us he will make us fishers of men. We will share his blessings with friends and family.

Fall Blessings,

Mrs. Craft and Mrs. Clark
