

February News 2021

February is upon us. The month of love, the shortest and perhaps coldest month of the year. It won't be long until we are springing our clocks forward and forget winter... but until then, enjoy it! February will be a filled with fun and learning at preschool!!

Each teacher sends home a class specific newsletter too for you to gather information about class happenings. Please make sure to check it out.

Couple reminders:

- dress your child in layers so they can stay warm as we have windows cracked open. Some kids run warm, some cold so layers are an easy way to keep your child comfortable.
- Sneakers are preferable. We try to go outside daily and they are best for running around on the playground and on property grounds.
- Tuition is due in the beginning of the month

- COVID: If your child is sick, please keep them home. If they have 2 of the following: headache, sore throat, congestion or runny nose, fever, chills, aches, diarrhea, vomiting or 1 of the following: cough, shortness of breath, difficulty breathing, loss of taste or smell please do NOT send them to school. If they have vomiting or diarrhea with no other symptom, please keep them home 24 hours after this symptom presents itself. They will need a negative covid test to reenter school if they meet the above criteria of having two or one symptom.

Thank you for all you have done this year to help our preschool stay open. It is so appreciated!!

Please always reach out with any questions. ~amy
