We are very proud of how hard the children have been working on their homework. They are so happy to earn their stickers for a completed job. Thank you for your part in helping them to return it to us weekly. We are also very proud of how independent they are becoming when putting on coats, hats and gloves daily!

If your child would like to bring in Valentine cards for the class, please do not put names on the envelopes. We will have our Valentines party on the 11th for PM class (10 students) and the 12th for the AM class (8 students). I will be mailing a sign up genius later this week. As always, thank you for your generosity in making our parties so much fun! We absolutely could not do it without you!

Thank you,

Tina Rosser
