

NJ Residents Can Now Pre-register for COVID-19 Vaccine

NJ residents over 65 can get the vaccine, along with those under various medical conditions, smokers, first responders, teachers and many others. It's a simple process.

To register: go to: <https://covid19.nj.gov/pages/vaccine>

For more information regarding the vaccine, visit the State's COVID-19 Vaccine page: <https://covid19.nj.gov/pages/vaccine>. Encourage others to register, too!
