- 5. Trustees:** Session affirmed that Trustees approved a proposal for roofing project in the amount of \$191,500.

**OTHER UPDATES:**

1. Session bid a bittersweet farewell to Kelly LePenske in gratitude for 3 years of ministry with us.
2. Elder Paul Booker shared that the Worship Committee is having the pulpit Bible repaired by a bookbinder in Philadelphia. This Bible, presented to our church in 1975, has great sentimental value. He suggested a re-dedication of the Bible once the repairs are complete.
3. Revised Church Mission Study was approved and sent on to Committee on Ministry of Presbytery for their approval so that it can be used by our APNC as a tool for candidates to learn more about our ministry, demographics, culture and history. This document is published on our website and Session encourages everyone to read it. Thanks to Jeff and Jenny Legath, Leslie Spencer and Adrienne Barr for their excellent work.
4. The Evangelism Committee of Session will be known as “Discipleship Committee” from here forward.
5. The Ministry Information Form produced by the APNC has been approved by Committee on Ministry and is in process of being posted. APNC is now able to entertain candidates.
