### Resumption of Worship Services Plan and Guidelines

*Affirmation of the Consent Motion indicates that these reports, which ask for no particular action by the Session, have been read and approved as they are. They are thus, received as presented without further discussion—unless an elder wishes to separate them from the consent motion for clarification or discussion.*

*Affirmation of the Omnibus Motion indicates that following action requests from these reports are answered in the affirmative without further discussion—unless an elder wishes to separate them from the omnibus motion for clarification, discussion separate action*
