Fire Truck Visits: The Lenola Fire Department brings a fire truck and sends Firemen to teach us about fire safety. The truck is quiet until they turn on the lights and sirens on their way out of the parking lot once they are near Bridgeboro Road. If your child does not like loud noises, you can tell them there will not be any while they are talking to the Firemen and walking around looking at the truck. Dates: TBD and will be sent out.

Fire Drills / Lock Down Drills: This week, we will have our first Fire Alarms. I do both a “real” drill with the actual, LOUD fire alarm and drills where I ring a gentler bell. By the end of this week, every class will have participated in a fire drill. We will also be practicing our lock down drills soon. We turn it into a game for them and do not discuss why we are doing it. We leave the discussions of why to you for whenever you want to have that talk even if it is years away.

Costume Parade: Please bring your child to school at their normal time dressed in their costume with regular clothes underneath. Please nothing scary and no masks if your child’s teacher asked for no masks or your child can’t see clearly when walking with the mask. After you drop off for class, park and head past the playground to the cemetery loop weather permitting or into Fellowship Hall in the church (to the right once inside lobby) if it is raining. Try to spread all the way around the loop so the kids have an audience the entire way. Once every class is in preschool, we will head out to the loop where we will walk around one time. We can’t wait to see everyone dressed up! After the parade, find your child’s class, take your child’s costume off and take it with you.

THURSDAY, 10/28: T/Th 2.5s, Mrs. Landesman, Mrs. Walker and Mrs. Rosser

FRIDAY, 10/29: W/F 2.5s, Mrs. Muhlschlegel and Mrs. LaGrou

Universals / immunizations/ flu shots:

Your child’s Universal is good for one year past the date of the physical. If your child has a well visit, there is a good chance they will be due for a new Universal. Take a copy with you so they can fill it out while you are there. Please also send a new copy of immunizations as well. If your child gets the flu shot at the pediatrician, I just need a copy of immunizations with it listed on there. If they get it elsewhere, I will need proof of shot (please have it stamped or on pharmacy paper). Please send this back once your child gets it. Flu paperwork is needed by 12/17. Thank you!

Covid Daily Health Agreement: Thank you for checking for symptoms of illness at home before sending your child to preschool. Thank you also for following our protocol for testing. It is appreciated more than you know!

Picture Day: We are hoping to have a fall Picture Day. More information will be sent out once we have our dates set.

As always, reach out with any questions,
