MISSIONS CONNECTIONS

Fall 2022

Travel to Greece

Join us November 4-12, 2022 on a mission trip to Greece. We will work with our missionary, Nadia Ayoub, in Athens and Katerini learning about the immigrant crisis and serving the clients of her ministry. We will take a day for site seeing at the Acropolis and other sites. For more information contact Linda Jagiela at missions@fpcmoorestown.org

WELCOME BACK!

Summer was a busy time for missions. Our committee continued to meet through the summer. We taught the children attending VBS about Malawi with the assistance of two Urban Promise fellows from Malawi. Students were taught to speak Chichewa via daily videos from three year old, Kimberly Adam of Love Driven Ministries. They experienced an immersive program while sitting in a mock Malawi village. The participants brought donations for Malawi and we collected and sent \$540 to the various Malawi ministries.

Our barrels have been in the lobby all summer and they are almost full. We still need soccer, kick and basketballs and basketball netting.

**Please drop off donations
by September 30, 2022.**

URBAN PROMISE UK

Urban Promise UK is up and running! The Maxteds have secured a location and have hired street leaders to work in their ministry. Pictured below are Luke and Reuben Maxted training the new staff and having a little fun thrown in too!

Serve in Kentucky

Back to School

Students and teachers across the globe are excited to be heading back to school. Please pray for a successful school year for our ministries who are educating youth, future leaders and their students.

Pray for our Haiti Mission Partners

Above: In June, Hope Alive Clinic celebrated 24 years in ministry serving families and malnourished babies.

Despite the civil unrest in Haiti, our mission partners continue to serve their communities.

Pray

Pray for the civil unrest to end and for peace to return to Haiti.

Pray for an end of gang-related kidnappings.

Surround the people of Haiti with mercy and strengthen them in love.

Pray that the poverty is eradicated.

Left: Twelve students are participating in masonry classes on the Barry Fe campus of Haiti Outreach Ministries. In May, Pastor Leon Dorleans celebrated 50 years in ministry.
