

April Newsletter

I can't believe we only have two more months of school. There is going to be a lot happening over the next couple of months, so break out your calendar to mark down some important events.

First, for Easter we will be having an Easter Egg Hunt and an Easter Party. Please send in six pre-filled eggs on Friday, March 31. I will plan to have our hunt the following week and will choose the date based on the weather. Please fill the eggs with nonfood items. We will have an Easter party on Thursday, April 6. Please keep your eye out for a sign up genius from the room parents.

When we return from Easter break, we will be participating in The Week of the Young Child. This is a week of fun, carefree activities. Early in April, the class will vote on a color to wear for Messy Day, Wednesday, April 19. On that day, you can count on your child coming home a mess from shaving cream, paint, bubbles, chalk and outdoor play galore. I will also be assigning your child a letter of the alphabet for Friday, April 21. Please have your child dress in a themed shirt or costume that represents something that starts with the given letter. We will parade with the other classes and have all the letters covered from A-Z. It is a lot of fun.

Since May is so busy, we are going to have our final Pre-K Run on Friday, April 28. Please join us at the cemetery circle @ 11:00am. Bring a special homemade sign (Go Jess Go! Run fast!) and cheer on your runner. At the end of the race, each runner will receive a special medal to honor their efforts throughout the year.

Looking ahead, we have a lot of important dates in May. Please mark your calendars for a Mother's Day celebration on May 12 and our Storybook Land field trip on May 18. Field trip forms are coming soon. The last important save-the-date is for PreK Graduation on May 31. You will drop your child off at regular time and report back for graduation @ 9:45am in Fellowship Hall. The ceremony will be followed by a whole-school picnic!
