

M,W,F Preschool 3's April Newsletter

We concluded our unit on Community Helpers in March learning about the brave men and women that are Police Officers! A silly Leprechaun also made a visit to our school on Saint Patrick's day! We had a hunt and followed clues and found his pot of gold! Our Preschoolers came up with some brilliant ideas to catch a Leprechaun! We also learned more letters, practiced our math skills, cutting skills and writing our names! In our bible studies we learned all about Easter.

April Themes:

Spring has sprung and we are excited to see all that's in bloom! We will talk about the weather, flowers and bees and all about how things grow. We will be growing our own caterpillars in our classroom and watching them grow in their cocoons and then blossom into beautiful butterflies!!

Dinosaurs, Dinosaurs everywhere!! Is it a T-Rex? A Diplodocus?
Letters Y and Z

Important Dates:

3/29-4/7 Spring Break , return 4/8

4/10 Chapel

4/16 Chic Fil A Night 5-8 Centerton Square

Looking forward to May:
