## May Newsletter

### Upcoming Activities

It's hard to believe that we are entering our last month of school! Besides all of the important dates and fun activities listed below that you will need to mark on your calendars, in class we will be observing the life cycle of the butterfly right before our very eyes. We will continue to review the alphabet using our Alphabet Center, which was introduced last week. Children will search for hidden objects during arrival each day and put the object into the correct letter pocket ("B is for ball"). The children will also practice identifying and tracing numbers 1-10, focus on one-to-one correspondence using counting "soups & stews", and continue fine motor practice.

### Reminders & Important Dates

- PLEASE CONTINUE TO CHECK CLASS DOJO MESSAGES!
- Thursday 5/9 - Our Mother's Day Brunch will take place at 10:00am in our classroom. We will enjoy hearing the children sing a song and eat brunch together. From 10:30 to 11:00am, parents may join us outside on the playground, and then you are welcome to leave with your child after that.
- Wednesday 5/15 - Field Trip to Storybook Land; please return permission slips ASAP.
- Thursday 5/16 - Messy Day - We will have lots of outdoor fun with bubbles, shaving cream, squirt bottles, and more! You will be asked to send in your child wearing our class color. The color will be voted on and announced the week before.
- Tuesday 5/21 - Alphabet Day - Your child will be assigned a letter of the alphabet and dress in an outfit that represents that letter. Letters will be assigned and announced the week before. This is NOT a costume party...please keep it simple! For example, for Letter B you could wear a blue shirt, Letter C you could wear cat ears, or Letter T you could wear a shirt with a truck on it.
- Thursday 5/30 - Our last regular day of school.
- Friday 5/31 - Step By Step End Of Year Picnic at 11:00am.

Mrs. Tickner and Mrs. Illum
