

Preschool 3's March Newsletter

During the month of February we explored Community Helpers and learned all about the fun jobs they do. We learned how to keep our bodies and teeth healthy while we discovered how Doctors and Dentists help us. We talked about the library and how to care for books, who is an author and who is an illustrator. We sent "love letters" home to someone in our family for Valentine's Day, while we discussed the Post Office. We also had so much fun at our party and sharing our friendships and discussing what makes a great friend. Sharing, taking turns, using kind words and doing good deeds.

March Themes:

We will continue with our Community Helpers theme and learn about the brave jobs of the Police. Then it's onto the exciting exploration of Dinosaurs! Our Preschoolers are still working hard on our skills with writing and cutting. We are always counting, sorting and making patterns. We will also be celebrating with some Saint Patrick's day shenanigans:)

Letters:

T, U, V, W, X

Important Dates:

3/06 Family Fun Night 5-7

3/11 Chapel

3/13 Saint Patrick's Day Scavenger Hunt

Have a great month!

Mrs. Muhlschlegel and Mrs. Illum
