

We concluded our unit on Community Helpers in March learning about the brave men and women that are Police Officers! A silly Leprechaun also made a visit to our school on Saint Patrick's day! We had a hunt with our Leprechaun Lookers, and followed clues to find his pot of gold! Our Preschoolers came up with some brilliant ideas to catch a Leprechaun!

Dinosaurs, Dinosaurs everywhere!! Is it a T-Rex? A Diplodocus? We had so much fun learning about dinos!

We also learned more letters, practiced our math skills, cutting skills and writing our names!

April Themes:

Spring has sprung and we are excited to see all that's in bloom! We will talk about the weather and flowers, and learn about how things grow.

We will be growing our own caterpillars in our classroom and watching them grow in their cocoons and then blossom into beautiful butterflies!!

In our bible studies we will learn about Easter.

Letters X, Y , and Z

Important Dates:
