

M, T, Th Preschool 3's May Newsletter

Our Preschoolers were busy little bees in April! We learned all about Spring, Weather, Dinosaurs, and we watched Caterpillars begin to grow into Butterflies. Exploring insects and the lifecycle of a butterfly was a big part of our studies this month.

May Themes:

The children have been working hard on some surprises for their Mom's, or special ladies in their lives! They are SO excited to celebrate with you! We will embrace the wonder and fun of this age while celebrating *The Week of The Young Child*! We will get messy with paint, shaving cream, bubbles, and water fun. We will wrap up our year long letter lessons by dressing up like letters of the alphabet. (more info to come)

Important Dates:

5/08 Mother's Day Celebration : 11:00-11:55 am

This is open to one special guest; Mom, Grandmom, Aunt, Nanny, or Friend
