Christ the King Sunday

Way of the Week

9. **PRAY FIRST AND PRAY AGAIN.** Ask *first* for God's guidance and blessing in everything you do. Through prayer, ask for wisdom and for God's will to be done. Pray for others as well, that God's love and blessing would be revealed to them in good times and in bad.

This Way of the Week is important to me as it is the manner in which I've learned to start my day, recognizing the One Who is Sovereign. **Praying First** directs me to His Word; and there, I have become quietly aware of His love for me. He sees me exactly where I am and still wants to talk with me and guide me at all times and in all things. **Pray Again.** I am so thankful for this community of believers who pray together, humbly sharing our requests and how we then see miracles, joys, and His mercy, that often increases the faith of those being prayed for and those praying! Henri Nouwen says, "Prayer, then, is listening to the voice of the One Who calls you Beloved. It is to constantly go back to the truth of who we are and claim it for ourselves".
