First Sunday of Advent

Way of the Week

10. **JOIN HANDS.** Work as a team. Collaborate with each other, our professional staff, our lay leaders, and our congregants to find the best solutions. Collaboration lightens the load, generates better ideas than individuals working alone, and unleashes the gifts God has given us all.

We have learned a new way to Join Hands at FPC Moorestown. Due to circumstances, it has become difficult for Sara to attend the Traditional Sunday morning Worship Service at 9:00 AM. However, the church has made a major commitment to live streaming, so we feel like we are joining hands every Sunday. We see old friends and have even begun to recognize them from the backs of their heads. We are able to participate in the service remotely just as if we were present. The one thing we do miss is socializing and classes between Services, but that is just something we have had to adjust to. It is important for staff and congregation to recognize that the live streamers are out here, and we feel that is being done. Thanks for enabling us to **Join Hands** from home.
