Second Sunday in Lent

## Way of the Week

23. **WORSHIP WITH YOUR WHOLE HEART.** Your life is meant to be an act of worship. Every breath, action, and thought flows from God and can bring Him glory. Praise God everywhere and embrace the opportunities to regularly worship with your church family.

This Scripture is a lovely reminder to me to praise God everywhere and to embrace the opportunities to regularly **worship and express it** with our family, neighbors, friends, church family, Sunday School, and also with friends we haven't met yet. In our Sunday School classes, this year the theme is "Wonder" to take time to wonder at all that God has given us. We call them "God Sightings." Remember and recall how to believe like a child with wonder each day. Live in gratitude. Praise reminds us of the endless things that God has done for us and continues to do for use each and every day. We can praise God in so many ways-through volunteering, being thankful for answered prayers, praising Him during our commutes, while running errands, or waiting in lines. It refreshes, renews and re-centers us. We can pray, sing, journal, write, read or ponder Scripture, confess or just give thanks... Praise God in the storm not just in the sunshine. Dear friends, Luke 8:39 tells us "Now go back to your family and tell them everything God has done for you"... Let's do just that! *Elder Melody Ransom*
