6. **FORGIVE...AGAIN.** Just as God forgives us, heal relationships by extending forgiveness with grace and generosity. Forgive everyone everything. Start by praying for those you resent or hate. Ask for every blessing you would want for the one you're struggling to forgive.

Suggested Action Step: Consider the Greek word for forgiveness *aphiemi*, which means "to let go" or "to send away." Note the "Again" part of this Way. Forgiveness isn't a one-time event; it's a habitual rhythm. When you find that you're feeling the anger again doesn't mean you haven't forgiven, it just means you need to apply the grace **Again**.
